“ *To the Jim Steger family,
I came to know Jim through Oakleaf Village, where my mother is a resident (#128). We shared many lobby visit talking about airplanes, WWII, and his love for aviation. As I pilot, I could identify with many of his experiences flying military aircraft. Beyond airplanes, I was impressed with Jim's keen mind about stocks/bonds, news of the day, and his tool and dye skills. A friend of mine and I had the opportunity to "fashion" a couple of portable shelves for his walker. We knew that our work had to meet Jim's high standards for quality!*

My wife, family, and I will keep Jim in our prayers at St. Anthony. He was fine gentleman, and a sterling member of the "Greatest Generation" to whom we owe an unplayable debt.
