“ *My thoughts and prayers are with the family. I've known Bert for a long time and he made my college roomie and friend Ruth a great spouse. Had a couple good trips with you. Remember New Orleans for New Year 2010 and the Bearcats vs Florida! Also had a great outing in the big apple with dinner for my 50th at Tavern on the Green! I will see you tomorrow.*

“ Dick and I are so sorry to hear about Bert's passing. We went to Whetstone High School with Bert. We were looking forward to getting together at the 50th reunion. This is something that we read awhile back and it is comforting to Dick and I when we go through times like this. "May it comfort you to know that the loving arms which now embrace your loved one are the very same arms holding you close in your sadness." We're sorry for your loss. Dick & Sandy Rahn

“ *Was sorry to hear about the passing of Bert. He was a trusted friend and advisor to me when I was the Ohio Jaycee President in 1988-89 and a National Vice-President in 1989-90. We had many great conversations not just about Jaycees but about life, love, and the future of volunteerism. He was very passionate about the organization and was sad to see the decline in members and services provided. Condolences to the family. He will be missed.*

Ruth,

So sorry to hear of the passing of Bert. Although he was my business partner for a relatively short time, I enjoyed our technical accounting discussions. Bert was an outstanding accountant and an even better man. Condolences to you and your family.
