“ *So sorry to hear of Aunt Betty's passing. It has been somewhat difficult to keep in touch from our home in the LA area, but we managed to exchange Christmas cards and phone calls. Growing up, Betty was the preferred baby sitter for Georgia (my sister) and myself. Being only a half generation apart, Betty would always translate what the "adults" were saying and thinking (the things we "children" shouldn't hear).*

We did have many fun times, and she will be missed. She was a breath of fresh air-
