“ Kelly, Chad & Family Kel I know the special bond that you and your grandmother shared. I seen for myself the connection and devotion you had for one another over the last 20 years that I have been in your life. Know that my prayers are with you and your family. If you need anything please let me know. We all need to call On God's holy power When we're in our deepest need And in our saddest hour God is never distant He sheds a tear with you He knows the pain your feeling And what you're going through When you place your hope In His undying love You will know His peace Like a mighty rushing flood. © By M.S.Lowndes Willika
