“ *I have great memories of working with Betty in NOW back in the 1970s. I always admired her energy, enthusiasm and determination for change. And she managed it all while also being being a Mom. We last met at a Columbus NOW reunion in 2001 and remembered together those exciting times when we were young and sat-in at the State House in support of the ERA. I am sorry Betty has left us and my thoughts are with all of you, her family and friends. Erica Scurr.*
