“ Craig, Rayne, David
Its been a long time since Southfield and sharing with the Cassadys. Your Mom was a very special person. She lives in our memories and particularly Chris's heart. Your Mom picking up Chris after school and then they drove to Ann Arbor to be with you David. You all are bright points in our memories. Ken Larsen, Chris, Eric & Karin

“ Craig,

I am so sorry to learn of your mother's passing. It is extremely difficult when we lose a parent, no matter how old we are. Please know that you and your family are in my prayers. Jane McCreary

“ Betty Jean was a confidant for my good friends and me during our high school and college days. We spent many a joyous afternoon poolside talking with Betty Jean. As busy as her life was with Craig, Rayne, and of course David, she still made time for us. We got to know Ralph and even borrow his car and dearly loved Betty's parents, the Gehrings. My wife, Betsy, and I even drove the Gehring's GTO to our senior prom. What a loving and generous family. My only regret is not staying in touch with Betty Jean. She surely has earned a great spot by heaven's pool!

“ Dear Craig, Rayne, and David,
Your mother was a very special lady. She was like our
(Gary, Jeff, Scott) best big sister at the pool in the summers of '65-
67. You must miss her terribly. I'm sorry for your loss.

“ *Dear Brother Dave and the Cassady family,*

Thinking of you and so very sorry for your loss. Betty was a special lady. She was beautiful, loving, funny and compassionate. I will miss her always. Especially at the Cassn family gatherings, where she always brought her famous salad. Always fun and laughing times.

“ *Betty was a beautiful lady who I came to know well in the 1970's during some hard times for her. She was a joy to know and brought a bright light into the lives of all. She will be missed by all those who knew her. She was in fact devoted to David and her other children as well. A great person improved the lives of all those who knew her. Dan Connor*
