“ *We were saddened to learn that Betty had passed away just one day after we had talked with her daughter Cynthia in downtown Worthington. We offer our condolences to Bob, her husband and the entire family for the loss of their loved one Betty (Wife, Mother and Grandmother). We were friends and next door neighbors of the Conlon's for nearly forty years and we know the family will be grieving and missing her very much,as do we and many others.MGSG*

“ *Hugs and prayers to the Conlon Family during this time. I enjoyed my visits with Betty at the Laurels over last 1.5 years. Betty had a great sense of humor and witt about her. I enjoyed her smile. I was always moved when I helped with giving her Holy Communion. Betty always talked about Bob, her children and grand children. She loved her family. I will miss Betty and her love for books, sewing and life. God's strength and heart felt condolences to the Conlon family. Hope and Steven Boring-Ascension Lutheran Church*

“ Cynthia, Pete, Scott and Celia, We did not know of your mom's death when we saw you this weekend, so now we send our condolences to you and the rest of your family. Closing the chapter on a parent's life is no small thing. Know that we are thinking of you in the days and weeks to come. It is our hope that your memories sustain you.
