“ We are so saddened to learn of sweet Betty's passing. She was so special to our family, and knowing she was just steps away from our home, gave us a feeling of friendly comfort. Jay and Betty were so kind to our children as they were growing up, and we have so many special memories of them. We pray that your family finds peace during this difficult time, and know that you are in our prayers.

“ Betty was a big OSU Buckeye Football fan and I watched (talked though) many games with her. She never seem to mind my lack of knowledge about football or Telling my life stories while she tried to watch football. She was my favorite friend and companion. I will miss her ❤️.Toni
