“ *Dear Pamela & Karen, What a treasure your mother was and always a pleasure to be with. The picture you chose captured her beautiful smile and warm personality. We enjoyed many wonderful, fun times together in our younger years and as the two of you were growing. Betty was a special angel from God and so many were blessed with her presence in their lives. May the God she served faithfully bring you comfort during this time. She will always be a precious memory to me and my family.*
