“ *Prayers to the entire Moses family. I remember as a young child staying at Ray's parent's house while traveling. They had a dog named Timmy that was afraid of thunder storms. I still smile at that memory. For the next 50+ years, I grew up knowing Betty and Ray as friends of my parents, Bernice and Bob Knecht. Betty was always smiling and had a beautiful angelic voice. She had such a wonderful laugh and I still see the twinkle she always had in her eyes. She was a beautiful person. Prayers to the entire family for your loss. Beautiful family video. Thank you so much for sharing it.*

“ *In the seventies Betty and my husband, Rev. Milford S. Ferguson, sang many duets together at Broad Street Christian Church. When Betty purchased a new organ, she gave her piano to us. My husband is now deceased and it is in the possession of my grandson Isaac who plays it every day. I believe Betty would be pleased that her gift of music lives on. Thank you Betty from the entire family of Milford S. Ferguson.*

“ I have many memories of Betty and family from our good times at Broad Street Christian Church. I was in the choir from 1964-1980, with Betty, Metta, Carolyn, & Lynn and what a blessing she was..I always remember her singing "Bless This House" at Thanksgiving. I share your loss.
