“ Charles, we pray for comfort, peace, strength, and many joy filled memories of Betty in this time of loss. It was an honor to serve in the Springfield District during your tenure as District Superintendent, and to have you and Betty in our home. Our faith is a great source of comfort during these times - Jesus said I am the resurrection and the life. Those who believe in me, even though they die, will live. May you know the comfort of His promises and His presence with you especially at this time.

“ I am so sorry for your loss. Betty will be truly missed. I'm Elizabeth Wile's daughter Andrea. Betty and my mom were very good friends for life. They went to school together. They talked often on the phone. When my mom got sick, Betty would call to talk to me. After my mom passed away, Betty kept talking to me and was genuinely concerned about how I was doing. Betty was a very kind, loving person who will be missed. I didn't get a chance to really see her face to face. I feel that Betty was lie a favorite Aunt to me. I want you to know how much Betty meant to my mom and to me.
