“ Thank you Grandma Brown for teaching me to love and appreciate all the little things in life. You were a firecracker and so full of life. I will miss you and you will always have a special place in my heart.

God saw you getting tired,  
A cure not meant to be.  
So he put His arms around you and whispered,  
“Come with Me”.  
With tearful eyes we watched you and saw you fade away,  
Although we loved you dearly,  
We could not make you stay.  
A golden heart stopped beating,  
Your tender hands at rest.  
God took you home to prove to us He only takes the best.
