“ *My Grandma Bev was an amazing woman. She worked hard her whole life to take care of my mom and always took us grandkids for the newest beeny baby as kids and we always got ice cream at Baskin Robbins or Greater.*

I remember her making me chicken and rice for dinner followed by chocolate chip muffins and then huge pancakes in the morning as a kid. I am grateful for all the time I was able to spend with her during my adulthood and took care of her when she needed it most. She loved playing with my daughter Layla...she would push her on the swings, play barbies, and I would frequently find them both eating cookies together when I was cooking dinner. Grandma loved to laugh, go out to eat, see her friends and go outside. She loved animals especially horses and dogs. She was a beautiful woman with the most caring and beautiful soul that shined through. She loved all of us so much and I know she will always watch over us...I love you Grandma!!
