“ *So many memories to share Mom. Where do I begin to start?
You have been in my life for over 27 years.
You always told me when it's your time, you gave the same
response...I'll be partying with Jesus.
No more worries, pain, and feeling alone because of COVID.
We were all Blessed when Heather brought you home to say our
Goodbyes.
We all love you and will miss you Dearly.
All My Love,
Mary*
