“ *Nancy, Carmen and Gracie all had the pleasure of hearing Dr. Hunter's voice in our ear each day as we typed his dictation reports daily. He was a bright ray of sunshine to our day as he always smiled and had a kind word. He was a handsome- sharp dresser and we always kidded him about how nice he looked. We will surely miss him. God Bless the family our deepest sympathy, thoughts and prayers be with you all. Nancy Toth, Carmen Jackson and Gracie Cooperrider, Six County Transcription Dept.*

“ I am one of the nurses from Six County who had the extreme pleaseure of meeting and working with Billy Ray Hunter.I regret I will not be able to attend the services as my mother is ill. My thoughts and prayers are with all of you. Dr Hunter was a kind , generous man. I lost my dear father in June 2008 and Dr Hunter was very kind to me with his warm heart and kind words. Many days even when I knew he did not feel well he always ask how I was feeling and always ask about my mother as he knew she was ill. As a nurse he certainly was a wealth of so much valuable information to assist me in my care of our clients. Take comfort in knowing he spoke highly of his family and I am blessed that I had the privilege of meeting him. God Bless .
