“ *Kevin, Amanda and family, I sit here with tears in my eyes for you all. I wish I could be there for you, but the distance is to great at the moment. Just know that Blake is a happy little boy sitting in the lap of Jesus. You know how to get a hold of me if you ever want to talk. I'm sorry for this to have happened and trust you all keep looking towards our Lord for your guidance. God might have closed this door, but He will always open a window. Trust and believe in that too! Love, Steve*

“ To the Family of Blake: My prayers are with you and like many I don't "personally" know you but I know of you through Steve. Blake has touched many in the world even though his time here on Earth was short, he brought out the love in many. My prayers will continue for you.

“ I may not know Blake personally, but I know Brittini and Elena and how much they cared for this little boy, and how hard it hit them. He looks like a beautiful baby, and I will continue to pray for everyone.

“ We are all so sorry & We are always here for you no matter what. Even though we live 6-8 hours away, that doesn't mean we aren't a phone call away. I pray everyday now, hoping that someone else doesn't get sick in our family. Blake is safe though, He is with Grandma Fown and Grandma Rose. I know they will keep him safe. We love him and everyone very much.

“ Im so happy to know that blake is in a better place than we are. He is now home and has no pain or worries. I know that one day we will be there with him and he will be at the gates of heaven waiting for his loved ones. In our own greed we want him here with us for ever but he is safe in the hands of our lord and savior. Thank you so much for his life. I cant wait to see him one day.
