KR

I worked with Bonnie and Karen at Ohio State. This photo completely expresses who Bonnie was - she was unfailingly sweet and always in good humor. When life gave her lemons (which was seldom), she made lemonade.

She was the glue that held us together as friends long after we no longer worked together. After she and Armand moved to Florida, she always made the effort to make contact when she was in town.

She was proud of her children and grandchildren, keeping us up to date on their jobs, travels, and accomplishments, as well as her own travels. I am so happy she and Armand found each other - they had a wonderful life together!

I am happy to have my Bonnie memories and will keep them in my heart. My condolences to her family and friends.
