“ *I remember Bonnie from high school, and I was so impressed with her biography. Very happy to see she was able to use her dance skills to teach, since I remember the horrible car accident that took so much of her dance dream away from her. I was not in touch at the time of her death, but I am sure she will be hugely mourned by her husband and five children. My sympathies go out to them and the rest of her family.*

“ *We will always remember Mrs. Lavric! She had such vitality and her smile was infectious. Lauren, Sarah, and Kristina have such fond memories of Mrs. Lavric at band camp, being the best chaperone ever. We always looked forward to seeing her in church every Sunday. We will miss her so much. This world has been truly blessed with her presence! Love, the DeMichele's*
