“ *She was a special person. I was a close friend of her youngest brother Jeff as we grew up as next door neighbors on Union Street in west Barberton. I knew she had a special voice as her mom & dad were quite proud of her when she attended BHS. Please say hello and express my condolences to Jeff and Bill. Thank You!*

“ I found this saying and made it gender appropriate. " not how did she die, but how did she live? Not what did she gain, but what did she give? I have fond memories of the four of us....Now only two. How lucky we were. No one can ever take the memories. My deepest sympathy to you and your family. Betty Ann Merrill
