Boyd Edwin (Ed) Klinker, Jr
1949-2020

"What a wonderful life I've had. My life wasn't measured by the number of breaths I took but by the moments that took my breath away - and there were many:

- * watching Terri walk down the aisle on our wedding day
- * holding Matt in my arms for the first time
- * seeing God's work being done on many church mission trips
- * pinning the badge on Matt when he became a Charleston firefighter
- * seeing Matt graduate from Columbus Fire Academy
- * seeing Utah Beach/Normandy and meeting distant cousins in Germany

I have been blessed to have many friends and to have lots of great experiences. Most meaningful experiences were associated with time spent with my wife and son, serving God on mission trips,

Salvation Army bell ringing and various New Hope Church activities.

A graduate of Lancaster High School, Capital University and Ohio State University with a career in

sales and marketing in a number of industries from glassware manufacturing to the aircraft industry, computer software service and agriculture.

A member of New Hope Church and Masonic Lodge #563. Son of Boyd

Edwin Klinker, Sr and Helen R. Klinker
who preceded me to heaven along with my canine buddies: Skipper, Mocha,
Bear, Sam and Tilli. I am survived
by my wife Terri S. Klinker and my son Matthew E. Klinker.
The famous Civil War General and fellow native of Lancaster, Ohio, William
Tecumseh Sherman, said
at the end of his memoirs: "I have done many things I should not have done
and have left undone
still more which ought to have been done...but on the whole am content."
And so it was with me."

In lieu of flowers donations can be made to: New Hope Church Endowment
Fund in memory of Ed Klinker;
Salvation Army of Central Ohio; Ohio Health Hospice/Kobacker.

Dear Ed, I am sure that these lines will reach you. Yesterday we heard that you died on July 29. But you will survive in our hearts and mind. Our lives have crossed in the blink of an eye but the consequences will last our lifetime. As you we are so happy that all of a sudden a door has opened to the past of your family that was also the way back to my own roots. You make my Twin and me sensible for our common past. Rainer my twin and me will never forget that. When I saw you the very first time you look so similar to my grandpa. Amazing. From the very first moment there was no ice but kalima a warm desert wind that shaped our atmosphere. We spent wonderful hours together that we never will forget for sure. After returning home we have not lost sight of each other. We Rainer with his Mila, my wife Silke and me are proud to have met someone like you. I hug you and miss you and the correspondence that we have conducted Jürgen Klinkert in the name of my twin Rainer and our wives Silke and Mila

“ I have good memories of Ed/Boyd. He was kind and had a great smile. He made school lively and fun. His thoughts expressed in his obituary are beautiful and very much a celebration of the life he lived. I'm thankful our paths crossed. I pray that you, his family, are comforted in remembering the love he gave you, the lessons he taught you, and the legacy he has left you. Prayers for all. 🙏
