“ *I had not seen Brad for 40 years, but just learned of his passing. We were neighbors in Middleburg Hts. (Cleveland suburb), then when I attended OSU, I "coincidentally" found out that he was friends with some mutual college friends.*

*He did repairs on my Karman Ghia, and I remember him as being kind, generous, and good-natured. I am so sorry to learn he has passed away. May God bless and comfort those who are mourning his loss.*
