“ *My thoughts and prayers are with your family during this very difficult time. My daughter adored her time with Mr. Brad this past year at Ready Set Grow. He was always upbeat and very patient with the kids! He greeted Gracyn every morning with a cheerful good morning! I am grateful for his role in helping her have a positive transition to Kindergarten.*

“ Brad was in my eighth grade English Class. I will always remember his kindness, concern, and love for life that he expressed to his classmates and myself.

For example, one day in class ,I tripped over an extension cord and re injured my knee. I was leaning on a table and told the class I was fine. Brad being the compassionate person that he was, came up and saw that I was breaking out in a sweat from the pain. He immediately ran and got help.

Our lives are much richer for knowing him. He will be greatly missed.

We are here to support you in your grieving process no matter what it is; we are here for you and will always be with you. With sincere sympathy & love,
