“ My name is Maria Bosnjak, I met Brandon in 5th grade in Mrs. Bailey's class. We were classmates only till 6th grade, we didn't stay in much contact but we had a few mutual friends that we all were together in school. I saw him last 2 summers ago and we hung out with our goof mutual friend and had a blast. Kept in touch for about a year almost and fell off, Brandon was a great kid and will be greatly missed.

“ Hello, this is Claire Ormsby. I have known Brandon since the first grade. He has been apart of my life since third grade. I can say with certainty that he was truly one of my best friends. He had always been full of life and lived in the now. His smile was big, goofy and charming. We always got into trouble, but also had some of the memories. I couldn't have asked for a more caring and trustworthy friend. It's unfortunate that he passed so early, so young. But I know he's taken care of in the next life. Rest in peace Brandon. I love you and I will forever keep you in my heart.
