“ Deepest condolences from Robin and Larry Sells. Deb, you reached out to me as a fellow mother of a child with NET cancer when you heard of my daughter’s diagnosis of the same, even though we were strangers and it meant so much to our family. I read a letter that Brendan’s cousin wrote about him and knew in my heart how special your son and his cousin were to so many people. You and your family are in our prayers. May angels surround you and surprise you with signs of your son’s everlasting love. 💕💕
