“ I graduated high school with Brooke and we reconnected on Facebook through her inspirational videos. Her story is truly amazing and I loved that she used every opportunity she had to be uplifting and encouraging to others. I always felt so hopeful after hearing her thoughts and words of wisdom. God has called her home to help even more people. My thoughts and prayers are with her family.

“ *It is so obvious that Brooke touched the heart of everyone she met. I feel privileged to have known her. She is now among the angels and will watch over her loved ones. Human nature makes us want to be angry she is gone but I want to believe God took her so she could help more people by his side. God blessed us by giving Brooke to us for a short time and now we must pay it forward by being kind and encouraging like she was to all she met.*
