“ *Dear Family, We didn't know Brooklynn but all that we have heard is that she made alot of people smile,now she is in heaven looking on you smiling.She may not be here in body but she will always be with you in spirit think of her smiles, giggles and laughter and your heart will be with her and her laughter will come to you,remember she is waiting for you in heaven.*

“ *Dear family, I was so sorry to hear of your loss of your baby girl, the only thing I can tell you is she is with the angels now,and that it is okay to cry and grieve and holler whatever you have to do to get through,and that the father above will give you the strength you will need to have.He will not give you more then you can bear.My thoughts and prayers are with you especially tonight and tomorrow, this will be the hardest thing you will ever do My deepest sympathy Diana Druck and Family*
