“ *Brooks was my first and still the best boss that I ever had at the State of Ohio. He was more than just a boss; he was a friend. I will never forget how he would say the word "push" as "poosh". My condolences to his family.*

“ *Brooks and Anita were two of the first people I met when I started Dublin Baptist after the death of my husband. They befriended me and I sat by them for 13 years having dinner on Wednesday night at church. Brooks could always make me laugh and Anita would pretend to be exasperated with him. They are wonderful people and Brooks will be missed very much by me and all who knew him.*
