“ *Dear Burr Family, I am so sorry for your loss, please accept my sincere condolences at this time. Something that I have found to be a great source of comfort are the thoughts expressed in the Bible at John 5:28,29 where we see that there is going to be a resurrection of those who have fallen asleep in death. Also at Revelation 21:4 we see that God is going to eliminate all of the causes for why we deal with sorrow, pain and even death itself. it is my sincere hope that these thoughts bring your family comfort at this time. Once again I am so sorry for your loss.*

“ *To the family, Dr. Burr Clark shared the dining table at Highbanks Care Center with my father, Charles Starcher, until he passed away Dec. 17. They enjoyed greeting each other every day. Dr. Clark always delighted in talking about his family, their travels and accomplishments. He was very proud of everyone. My deepest sympathy to all the family.*
