“ *Mariellen.... I guess I don't know what to say. I've missed Tommy greatly since leaving the Arbors, and called Amber to check on him more than once. He was one of the first residents I had the pleasure of brining to the building, and he was without a doubt my favorite in the two years I was there. Tommy was special. He brought a smile to every face and was loved by so many. I've always believed that God brings certain people into our lives for a reason, and Tommy was one of those people for me. His kind heart and pleasant nature will be missed by everyone, and may you find peace with the thought of him in Heaven. I'm sorry I was unable to say this to you in person, but please know how much I loved and cherished Tommy. My thoughts and prayers are with you now and always.*
