

Captain Nicholas Jan Rozanski

April 4, 2012

Captain Nicholas Jan Rozanski, 36, of Dublin went to Heaven on April 4, 2012 due to combat injuries sustained in Afghanistan. He was assigned to the 1st Battalion, 148th Infantry Regiment of the 37th Infantry Brigade Combat Team. He is preceded in death by his grandparents Frank and Anna Rozanski, Charles and Frances Mitchell and his Aunt, Anne Bownas. He is survived by his loving wife of 5 years, Jennifer (Schiller) Rozanski, his two beautiful daughters Emma Kathryn and Anna Elizabeth, his mother, Pamela Mitchell, his father and stepmother, Jan and Jan Rozanski, his brother Keith (Christy) Rozanski, brand new nephew Benjamin Nicholas, his brother Alex (Melissa) Rozanski, nephew and niece Jack and Reagan, stepbrother Brent (Kelsey) Walton, niece Clara, father and mother-in-law, John and Jeanne Schiller, brother-in-law Jeff (Kerry Stankowski) Schiller, aunts, uncles, cousins and his best friend Chris (Renee) Weaver and their children Colin and Maryn. Nicholas was born in Columbus and lived his entire life in Dublin, Ohio or "God's Country" as Nick commonly referred to it. Nick graduated from Dublin High School in 1994 where he played soccer. He loved soccer and continued to play throughout his life. Nick had a mischievous side that most of his high school teachers could probably attest to and he absolutely loved coaching youth soccer. Nick coached for nearly fifteen years for Ohio FC and Eagles Soccer Club. After high school, Nick went on to The Ohio State University where he received a BA in Communications. Nick was an avid runner and completed 3 marathons. His marathon training program was unique, and

usually involved a Buckeye tailgate the day before a big race. Nick loved the Buckeyes and counted down all year to football season. He was always in the stands to see the band march on the field to the "Buckeye Battle Cry" and he was there until the last note of "Carmen Ohio" was sung. Nick loved to have a good time and he has many great memories with his friends. He had a witty sense of humor, which always involved a twinkle in his eye and a silly grin. Nick loved his family above all else. Nick loved his wife very much and he especially enjoyed "romantic" dinners with her at his favorite places, the Dublin Village Tavern and Rusty Bucket. He dreamed of their future together and looked forward to growing old with her. And, there was nothing more that Nick wanted than to be a father. He adored his little girls and he couldn't get enough of playing and snuggling with them. He secretly hoped that he could get one of them to love NASCAR as much as he did. The Christmas holidays were also very special to Nick. Each year his family got together to make pierogies, a Polish tradition passed on from his grandparents, and his mom made a big breakfast each Christmas morning. In 2003, Nick decided to join the Ohio National Guard where he served for eight and a half years. The military was a natural fit for Nick and he excelled at it. He started as a Specialist because he wanted to earn the respect of the enlisted, but quickly realized that he preferred to be a leader rather than a follower. Nick went on to Officer Candidate School where he became a model leader. Nick was very modest about his military service and never wanted the public recognition for it. He simply felt that he was doing what was right for his country. Nick was deployed in 2004 to Kosovo, 2007 to Kuwait/Iraq and 2012 to Afghanistan was his final deployment. Nick was employed at DSCC in Whitehall where he had worked since 2009. He loved his job and was excited to get back to it. His family and friends are extremely proud and honored to have known Nick. He is truly an American hero and will be missed by his friends, family, community and nation that he served. Family will receive friends from 2:00-8:00pm. TUESDAY at ST. JOAN OF ARC CATHOLIC CHURCH, 10700 Liberty Rd., Powell, Ohio 43065 with Reception of the Body Service at 2:00pm. Mass of

Christian Burial will be celebrated 10:00am. WEDNESDAY, APRIL 18, 2012 with The Reverend Raymond Larussa, Celebrant. Burial with Military Honors will follow at Dublin Cemetery. In lieu of flowers, donations can be made to the Nick Rozanski Memorial Fund. The fund will provide Nick's family a way to touch the lives of others year-after-year in honor of Nick, and will serve as a way to give back to the community that Nick was such a big part of and which had given so much to him. Please make checks payable to the Nick Rozanski Memorial Fund and mailed to Chris Weaver-Advisor, 2095 Kentwell Road, Columbus, OH 43221. Rutherford Funeral Home at Powell assisted the family and friends are asked to send condolences or remembrances to: www.rutherfordfuneralhomes.com. “ I cannot express to you enough the appreciation my family has for your family and the sacrifice made so we can live in freedom. We are dublin residents and my second oldest son (19) is a Marine so I understand your pride and sympathize with your loss and sadness. If it were not for all service members we could not live in the land of the free. You are in our hearts and on our minds. May GOD bless each of you and thank you again for your unselfish sacrifices.

“*Jan, your family has been in our hearts and prayers since the tragic news reached us last week. I mourn the passing of every single military hero who has made the ultimate sacrifice for our country, but this one hit close to home, and really hurt. I have not seen Nick since he was a little boy. I recall he was a great little kid, as were Keith & Alex. I regret not having known him as a man, but from all I have read about him he was an exceptional human being, and a loving family man. God rest his soul, and may God bless your entire family.*”

“*You shall never be forgotten. For though you may be gone from this world your spirit will live on forever. It lives in the laughing eyes of children who are free from want or oppression. It lives in the bravery and conviction of those who still struggle for liberty. And it lives in me for I promise to cherish every breath of freedom that you paid the ultimate price to secure. I ask only that I might be granted some small fraction of your courage and strength to face the challenges of my life with an honor and dignity worthy of your legacy. May you rest in eternal peace, safe in the knowledge that your sacrifice was not made in vain.*”

“ My sincerest condolences go out to you. I've known Nick for many years from his pre-officer days working in the Marketing Section in Recruiting Command to our serving together on the Military Funeral Honors team a few years ago. I will not forget his sense of humor and always enjoyed when Uncle Sam would bring us together for one purpose or another. Freedom isn't free and a great price has been paid by him and all that he has left behind. Where I have been off the Honors team now for the past 6 months, I contacted the team leader upon learning of his loss so as to participate in some fashion for the honors he is deserving. God bless his soul and you his loved ones.
