“ Growing up, you were such a fun Uncle. You and Sara-Lynn continuing my belief in the Sky-Vogel to keep Rusty and I on the Gen Echo front porch after dark. Daring us to run from one end of the tunnel and back at night, which I was always to afraid of doing LOL. I'm gonna miss our OSU/Michigan texts during the game, you would say, "OH" and before you had a chance to say "IO" i'd say back, "GO BLUE" You were an awesome Uncle.  
You'll truly be missed  
Love you,  
Bobby

Wonderful expression Bobby of how very much you loved your Uncle Carl I know how much you will miss him I love the story that you told about the Sky Voglel Greman sky monsters that would grab little kids , a story for many generations " I am still fearful of them ! It worked to keep us home & safe at night ! Endearing story Bobby ( love Mom )
