“ So many memories are flooding my mind right now that it's hard to believe that you are gone from here and onto the eternal life that God promised you. Time and distance kept us apart in our later years, but our bond was always close. I miss you so very much but I'm grateful that you were always a part of my life. Your sweet spirit will forever be etched in my heart. God has blessed me in many ways over the years, but one of my biggest blessings was having you as my sister. What a great gift God gave me! I love you, Bunny. I always will. Rest well. I will see you soon.
