“ I loved visiting a few weeks every summer with my 4 alwood cousins back in the 1960's and with my uncle bill and espeacially my wonderful aunt carol. I remember her always staying up late sitting in the recliner down in their family room watching johnny Carson. The great Christmas outfits and one time way back when I got a birthday telegram sung over the phone from them. The last visit was july 2016 in Philly. We had a great time watching trump rallies lol. She is with my dad, her brother buddy now too. She will be sorely missed. And was very much loved. I will miss seeing all the great grand kids she always talked about. With sympathy to the family, Her niece, Leslie stump garner
