“ *I worked with Carol at Aetna many years ago and she was a person I aspired to be. A beautiful, classy lady. We did tease Carol often and pranked her a few times mainly to see her priceless reactions when she realized she had been pranked. Carol adored her sons and shared her joy on anything her boys accomplished. She will forever be in my heart as a good friend. My condolences to the family.*

“ Casey,

I would like to extend my deepest sympathy for the passing of your mother. She was a remarkable lady. In fact both of your parents were great people. Your mom and my mom were friends and I know her friendship meant a lot. Your parents were always very kind to me throughout my younger years and were especially kind after I lost my own parents.

My only advise is to cherish all of your memories. I know from experience those and the love never leave you. Please pass this along to your family. I hope you and Gretchen and the kids are doing well. Take care of yourself and hopefully we can connect soon.

Sincerely,

Stan Morgan

“ I worked with Carol at Aetna and she was my idol. Such a classy lady who loved her family fiercely. We had great times and I confess we often teased her or pulled small pranks on her as she could be a little gullible. My condolences to her sons and extended family.

“ I worked with Carol at Aetna many years ago and she was a lovely lady. Unfortunately we lost contact when I took a position with Aetna in Hartford, CT. I will always remember her infectious smile and love for her family. She was a beautiful soul and my sincere sympathy to her family.
