

Carol Howlett

November 18, 1940 - January 30, 2019

Carol Ann Howlett, age 78, entered into God's eternal rest on January 30, 2019. She was known as "Sweetpea" to her beloved husband of 57 years, Gary. She is survived by her husband, Gary; her children, Rita (Norm) Williams, Renee (Norbert) Haas, Ryan (Donna) Howlett; 7 grandchildren, Amanda and Spencer Howlett, Samantha and Bailey Williams, Kendall Haas Case (Taylor), Trevor and Reilly Haas and her two sisters, Lori (Tom) Shaver and Jan (Ed) Harden. She was preceded in death by her son, Robert. Carol was an amazing individual, wife, mother, sister and friend. It is without a doubt she will be terribly missed. Carol loved to read, garden and care for her loved ones. She served her community for many years as an audiologist and assisted individuals in a most compassionate way. She recently retired, but only after she was assured she'd located a new audiologist to take over the care of her patients. “ *Awwww 😞... I just found out 2 days ago that Carol is no longer with us.. 😞 Carol had helped me with my hearing aides and hearing over the last 10 years before she finally closed the business down and went into retirement. Carol was always so nice and helpful to me every time I would stop by. I really liked Carol a lot. It's so hard to find an Audiologist who really cared so much and went out of her way to help all of us" hard of hearing" people so much. She is truly missed 😞.. God bless her.*

“ I just learned today of Carol’s passing. I am saddened beyond belief. I worked with Carol for 20 years with my hearing aids. We shared so many stories including the loss of our sons. Carol was very kind, patient and most of all dedicated to her patients. Carol-loved her family and shared so many stories with me about each one of you. I will forever remember and miss her kind sweet spirit. I’ve never met anyone like Carol. To her family smile just knowing how she touched each of her clients in a special way. She individualized each patient and made one feel special, most people are not able to do that. Rest peacefully Carol. Denise Ibaka

“ This is a late message since I did not learn of Carol’s passing till months later and feeling guilty for not expressing my sympathy or words about her passing. I have known Carol since the day she took over George Brown Hearing Aid Service as I was client of George for many years and went onto Carol. Carol was a wonderful and considerate hearing aid person (not to say “a dealer”). She was very compassionate and a person who was very concerned about one’s hearing or hearing loss and welfare. I feel not all audiologists or hearing aid dealers have her heart, compassion and understanding. I had worked with Carol referring individuals to her because of who she was in being so exceptional about people and their needs.

*I truly miss her and my heart and blessing goes to her family.

“ I first met Carol in 2000, she has fulfilled all of my hearing and needs for the past 19 years, I am so sorry to hear of her passing. I will have to look long and hard to find an audiologist who is as compassionate and generous of her time as Carol. I feared something terrible had happened when I called to arrange for a hearing test, found her office had been disconnected. My condolences to her family

Sincerely:

“ I just found out of Ms. Howlett's passing.. She has worked with me 34 years with my hearing aids. MANY times, she went beyond her duties to help me.... I sent her a thank you card and she had it in my file all these years.. I sure am going to be lost without such a great woman.. RIP Carol. She would always get upset with me cause all these years she'd called her Mrs Howlett... She would say just call me Carol.
