“ *Carol was a wonderful "neighbor" and "friend" and we will miss her deeply, and especially all the goodies she would prepare for the Christmas holiday...especially that delicious nut bread. It is such a tragic loss but we know she is now resting in Peace. Our prayers go out to her precious husband Gene, knowing that his world will never be the same without his precious jewel. They were a beautiful couple and our hearts go out to the family they cherished so deeply. God Bless You All.*

“ Carol was like a second Mom to me when I was growing up. I loved going to her house for little tea parties. One day I showed up at her garage door at the age of 5, unannounced and by myself for a tea party with her. Since she had no idea I was coming and no one ever just knocked on her garage door in the middle of the day..... she called the police! Too funny.

Carol was one of my Mom's dearest friends. She will be missed but when thinking of her there will always be smiles.

xxoo Carol,
