What a wonderful trip down memory lane with sister Carol and family. Will never forget the fun times at Rice Lake we all had, especially seeing Carol catching fish and mom Culwell cleaning and frying them. Thank you Headlee family for putting 57 wonderful years together on this video.

Love ya, Sister Joyce and Family

“ Dear Sister Carol, the holidays and family reunions will not be the same without your smiling face and wonderful stories. You will always be in my heart and memories. Loved the times when you and Ron would take me to the drive inn because you were babysitting me. It will take a while to ease the pain and the hole in my heart missing you.

May the lord watch over you and Patty as you share special times with Mom and dad in heaven.

*Love and miss you deeply.
