“ my sincere condolence to you greg and your family upon the passing of your mother.i found this story very comforting during my own recent loss.One night i had a dream.i dreamed i was walking on the beach with the Lord,and across the skies flashed scenes from my life.in each scene i saw 2 sets of footprints in the sand one was mine and one was the Lords.when the last scene of my life appeared before me,i looked back at the footprints in the sand,and,to my surprise,i noticed that many times along the path of my life there was only one set of footprints,and it was always at the saddest points of my life.i asked the Lord why during the toughest times there was only one set of footprints did he leave me alone and He told me where there was only one set of footprints He was carrying me.God bless you. “ My dear, sweet, Carolyn. You were my closest and loyal friend for over 25 years and saying goodbye was so hard. A piece of my heart is broken, but know I will cherish every moment we shared together. May you rest peacefully in God's hands. I love you.

“ To the entire family, I am very sorry for your loss. I especially identify with Carolyn's children, as I am of their generation, and understand the pain of losing a Mother. Any loss in an original Rush Creek Village family affects all of us. May God bless you all.
