“ *Mike and Georgia: I can't think of a better friend to have than
Carolyn has been through all the years (more than 60). I will always
miss her. She was warm and generous and fun and we may have
had some disagreements now and then but never anything that
wasn't forgiven. She liked almost everyone she met. My deepest
sympathy to you both. (Our high school group will be donating to the
McConnell Arts Center in her memory.)*
