“ I worked in the Lab at Riverside and for many years enjoyed Carolyn's spunk. She was a wonderful woman. I now wonder why I never thought to ask her how she could be a fan of that "other" team when she's from Hilliard, right here in Buckeye Country! She will be missed. You, her family, are in my thoughts and prayers.

“ Carolyn and I worked side by side at the "front desk" in the Riverside Lab for many years. She really was one of a kind and a cherished friend. I really am saddened that I won't be able to attend her memorial mass or see her wonderful family. My thoughts and prayers go out to all of them. Love, Maryjane

“ *Carolyn was such a grand women. All of us in the McAllister family will miss our talks on the porch at Buckeye Lake. She was a great conversationalist, and always kept the conversation lively. I am sure there is a happy lively reunion going on in heaven. Prayers for all of you. Remember the joy Carolyn brought to you, and all her extended family.*
