“ I offer my most sincere condolences on the loss of Casey. He was a co-worker, a friend, and a strong man that loved his family. His legacy lives on in each of you. May you find strength in our heavenly Father to lighten your burden at this time. He was a proud man that loved his daughters undeniably. He just lit up to talk of his family. He was gentle giant with a giving heart. He will truly be missed. His legacy lives on forever. With the passing of time, your bereavement will lessen and the joys and memories of his life will fill that void. Stay strong and united as a family and reflect on happier days. May God keep all of you safe and in His mercy.
