“ *Jeff, Libby, and Emily,*

Just wanted to let you know that you all are being thought of. We are saying a prayer that Cat's spirit may shed light on all those who are hurting. We will always remember the creative and care free girl with the beautiful smile playing with Gabrielle and Molly on Connolly Ct. God's peace with you all, The Frantz family

“ *To the parents, I did not know Catherine personally, but I began as a patient shortly after Catherine started at HSD. When I came to Columbus, I needed a dentist office. By random choice, I chose HSD because of its close proximity, but I stayed because of how I was treated. Catherine's attitude, personality, genuineness was a big part of my reason to continue going there. Catherine was an amazing, caring individual and I'm saddened for her passing. I saw her only on my visits to the dentist, but she made such a positive impact on my life in a short amount of time. I am incredibly grateful to have known such a special human. My condolences during this time.*
