“ *I've known Cathy since middle school and she was always one of my dearest friends. She was a positive influence on everyone around her...always smiling, laughing, and enjoying life. She was great at making people feel special and loved. I will cherish the many memories of the good times we had together. It didn't matter what we were doing; she made it fun. Cathy was like a sister to me and will be missed here on earth. She has already sent me a sign, so I know that she is in a better place now. I love you Cathy.*

“ *This beautiful soul embraced my family as if we were her own. Hard to find...hope to learn a whole lot more from you Cathy. And you raised a fine gentleman in your son, Mike who would go through fire for my nephew, Gregory, and that's a rare and blessed thing you did for him and many others. No goodbye, just so long for now. G'night, blessed angel.*

Cathy was an amazing person. Her faith was so strong. She never hesitated to stop and pray, even for total strangers. If God told her they needed it, she gave it, without questioning why. She was one of the most devoted mom's I know. Regardless of what was going on in her life, she was there to cheer on Lori and Mike. Her spirit was contagious. If you were having a bad day, just being around her would make your day better. My heart aches for losing you on earth, but I know you are partying with God! Love you like a sister. Kendra Bright

*Heaven received a beautiful angel on February 7th! Cathy was dedicated to spreading God's message to anyone, and helping anyone in need, at anytime! Cathy left an imprint on anyone who knew her. Her kindness and wonderful spirit touched so many, including my family! I can't count how many times Cathy has prayed with me over the years! Lori and Mike, so sorry for your loss, your mom was a beautiful soul who touched the lives of so many! God be with you during this difficult time and may he comfort you. Cathy, you will be greatly missed, but I know you are with God, and have received your wings! God Bless.
