“ I met Chandra when Aidan became a student at the Early Childhood Education and Family center with Franklin Co. Board of DD. Chandra had a smile that just lit up the room. Her love for Don and her children was so strong; but her sense of humor was the best. After asidan graduated I thought oh no I won't get to see them but they kept coming back not only to visit their old teachers but to see our beloved dentist. Don you all are in my prayers and I'm so sorry for your loss. 🙏❤️

“ I remember one of the first times I met Chandra. Don, Chandra and I had gone out to sing a little Karaoke. The thing I remember most is how much Chandra laughed and how upbeat she was. I am deeply saddened by her death and my heart goes out to Don, his kids and the whole Kocica and Leggett family. With deepest sympathy - Pete and Pam Hitchcock

“ My deepest condolences to Chandra's family. I had the honor and privilege of working with Chandra years ago at the Franklin County Municipal Court. We shared many great memories there. Even after that job, she remained a dear friend. I will cherish my memories of her including her amazing sense of humor and laughter, her love and dedication to her family, and her ability to connect with anyone so easily. My thoughts and prayers are with you during this very difficult time.

“ I am so sorry to hear about Chandra. There are no words to express my sorrow. Please know that you all are in my thoughts & prayers. I am so sorry for your loss , we've all lost an amazing daughter, wife, mom.&.friend. She & I had so much fun volunteering at Bethesda north as candy strippers in high school & of course the many, many Moeller dances. 😊 I am so grateful for Facebook, as it's how we reconnected when we lost touch after college. I will never forget her & the friendship we shared. May she rest in peace & let perpetual light shine upon her. ❤️

“ I am shocked to hear of Chandra's passing. We reconnected several years ago and had some of the nicest conversations. My dad and former step-mom (Jerry & Kaye Baker) lived across the street from her when I was young. I always enjoyed spending time with Chandra and Rory. I am so saddened to hear this news. I will keep all of her family and friends in my thoughts and prayers. May she be pain-free in paradise. ~Lisa Baker Schoenberger, MND '84

Thoughts and prayers to the Kocica and Leggett families. I graduated with Chandra from MND - my maiden name is Keller so we were often seated next to each other. She was such a warm, caring and fun person. Many memories of her. Rest in peace Chandra.
