“ Bud and i first came together at South High School and we kept in touch off and on for the last sixty odd years we had several common likes such as sports, fishing,cars, he was my main source of transport in high school as he had a car and i did not.I owed him for all those rides. i always had season tics for osu games and bud was always willing to go to a basketball or football game if he could get away, we enjoyed many of them until walking became a problem. he still got out when possible. he enjoyed coming to the house for a pig roast. we also enjoyed taking him out to lunch in delaware. i say we as my brother often came. we played golf on weds in marysvtllle and would come for bud after and go to lunch. we had many long talks on the phone that i remember fondly,especially since 2018.HE WILL BE MISSED. my best to your family, love ron
