“ *Charles B. Burrer a.k.a CB He was a good friend, and a Blessing to many who new him. He was like a father to me and Sean. He would give to others before he would give to himself. He taught me and Sean a whole lot on saving money and life. If we all could only have Ten more minutes w/CB. But I know he's in a better place now and that we all will see him one day soon. God Bless J.Dailey*
