“ When I think about CHS there are a few who stand out in my mind and Chuck was one of those people. Very talented. He always had a kind word for all, a smile and a presence that filled a room. It's my prayer that God will provide a comfort that only he can give to Chuck's family and friends at this time. Fondly remembered and sadly missed. Judy Quick Cotton

“ Today i learned that a man, friend, boss, and someone i greatly looked up to passed away. Chuck you were the greatest most compassionate man that i have ever known, that would do anything for anyone in a heartbeat. I knew you for many years and saw you every day at work and even during those hunting days and i have to say that you were very much a father figure for me since you were so much like the dad i had. Chuck you will be so greatly missed and its very hard to realize that a man like you has been taken from this earth. You will always be remembered in our hearts. Love Walt and Family.

“*Sadly, I heard of Chuck's passing today. My family and I wish to extend our sincere condolences to Cami, Gene and your extended families for the loss of your husband, father, brother and my friend. We are sorry that we cannot be there to share in the celebration of his life with you, however, you will all be in our thoughts and prayers, this week. He was my roommate and close friend for several years. Unfortunately, we had not seen each other for quite some time and even though I spoke with Gene a few weeks ago about his accident, his passing comes as a very sad surprise for me, personally. As I think back on all the time I have known Chuck and our interactions over the many years, I don't think I ever remember having a single, serious argument with him, or even a time that I didn't see a smile on his face. He was loved by everyone I knew, who knew him. He will be missed.*

“*August 19,2010 To the Jackson Family, I knew Chuck in high school. I visited Gene and Chuck at their home in Centerburg when I was a student and an athlete. I remember him when he was a student at Wooster College. The last time I saw Chuck was when I had left the elevators in the Franklin County Municipal Courthouse. He was carrying a set of blueprints, and he on his way to a court hearing. I was shocked when I read his obituary in yesterday's edition of the Mt. Vernon News. I want to extend my deepest sympathy.*

“ Dear Gene and family of Chuck- I was shocked to learn of Chuck's death. Like you, Gene, Chuck was a loyal and highly esteemed Sig, and a great athlete and friend. We all felt better with the Jackson brothers beside us! I and his many friends from Wooster will miss him. My sympathies, Bill Stone, Cedar Rapids, Iowa.
