“ *Grandpa, you are no longer suffering. You fought the good fight and I have MANY precious memories from both childhood and as an adult. I can honestly say that I lost the one man in my life who always loved me for me and unconditionally. It broke my heart the morning you left Grandpa :- (but I KNOW now that you are in a better place..free from pain and suffering! Probably at a flea market or gun show in a new body :-) my heart goes out to our entire family at this difficult time! Like you said Grandpa, "one day you'll all walk in and I won't be here... i'll be at the flea market! ". Grandpa, you always did like to mess with me and my naive self. I miss all of our fun...I miss your little dances in the livingroom. I miss your sense of humor. Farts in a jar (hehe). But most of all, I miss you and the memories I have are irreplaceable! You were the most honest man! Loved and respected by EVERYONE who knew you!!! I will always have you in my heart.*
