“ *To the family of Chuc Calhoun,  
My life was blessed because of Chuc's unselfish guidance and mentoring. He may have been the finest stockman I've ever known; yet mostly he was a wonderful gentleman. It made me proud to have been his colleague at Landmark Feed. His work ethic was lead by example. RIP in God's loving hands.  
My most profound sympathies,

“ *My parents, Howard and Leona Fulk, went to school with Charles in Savannah. They would always reconnect at the annual alumni banquet. Charles once came to our home - probably 20 years ago - on Section Line Road, where he had a great visit with mom and dad. My folks are buried in Savannah and it truly warms my heart that Charles will join them there with many other school friends. What a wonderful generation they were! My condolences to you.*
