“ *The entire Cellar family wishes to convey our condolences to the family of Roger Hawk. His impact upon our family, as well as our community, has been extraordinary. As a church member, a local realtor, a farmer, and our "pumpkin man", Roger's presence has always been evident as a community leader. Many of us see Cynthia at the dentist used by many of our family members and we will miss the positive updates that appeared to show us Roger was able to live out his days still active and involved with the love of his family. He will be greatly missed.*
